ICICI Prudential Monthly Income Plan (An open-ended fund. Monthly income is not assured and is subject to the availability of distributable surplus.)

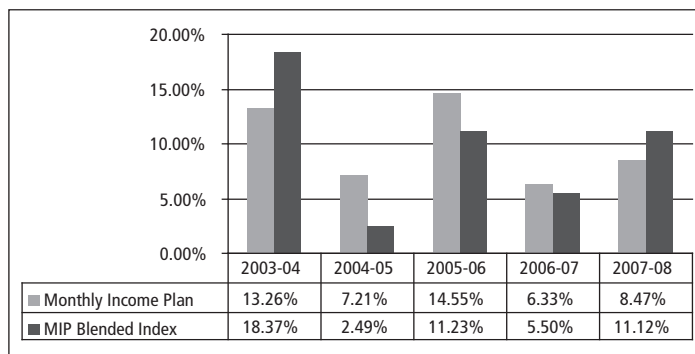

Dividend Policy:

The Fund/AMC is not assuring or guaranteeing that it will be able to make regular monthly/quarterly/half yearly dividend distributions to its Unitholders, though, it has every intention to manage the portfolio so as to make such payments to the Unitholders. Monthly/ quarterly/half yearly dividend payments will be dependent on the returns achieved by the AMC through active management of the portfolio. The dividend distributions may, therefore, vary from month to month or quarter to quarter or half year to half year, based on investment results of the portfolio. Further, it should be noted that the actual distribution of dividends and frequency thereof are indicative and will depend, inter-alia, on availability of distributable surplus. Dividend payouts will be entirely at the discretion of Trustees.
